Tape that

When I had been particularly naughty one day, my man used bondage tape to tie my wrists together behind my back.

"Shut your eyes and open wide," he told me and I did, anticipating the salty taste of his cock.

But he just wanked himself instead, his spunk soon shooting out into my face and on my massive tits.

When he was ready to screw me, I sighed as his prick sank into my wet pussy. When he reached around to finger my clitoris, I couldn't hold back from cumming.

He pulled me backwards on to his lap, moving me around impaled on his prick. Soon his

prick was jerking inside me, then shooting a load up my sticky hot twat.

I rose up clean off him, but he aimed his cock so he pushed back in me for a couple more strokes, forcing out a big gush of spunk to run down and coat his balls.

off a rock-hard erection.

He thumbed my clit, and once I started cumming, I couldn't stop.

It would let up for a second or two, then another wave would hit me hard, so I could feel my head go light and a hot flush spread over my entire body.

He shot a load up my sticky hot twat

When he'd recovered, I had fun licking that off him, working my way up from his sack and the root of his prick.

Then, once I'd lapped at his shaft, I ran my tongue round his tip, red and moist, topping

He was soon right on the edge too. He pushed right in as he spunked, and reached down to cup his balls so he could feel the spunk rush out of them and into me.

When I first met Kelly, she was a head-strong 24 year old, who had an insatiable appetite for sex.

This happened in some very difficult places, like the back of our friends' car as we drove home after a barbecue where she decided that she was going to suck my cock dry no matter what.

As we left the party she was slightly tipsy, and by the time we got back to the car Kelly was having great trouble keeping her hands off my crotch. I knew I was in trouble when she had undone my flies before we had even pulled out of the car park.

As we chatted happily with our friends in the front of the car, Kelly's hand sneaked around my cock and she started to wank me, brushing

head on my lap. I didn't have a lot of choice as she squeezed my cock very hard before letting go of him and then moved around so that she could lie down.

I kept my jacket where it was as her head landed on my lap and was dismayed when she said that I should move it out of the way to save it getting creased.

As I sat there looking straight ahead, talking gibberish to Gill and Ray, Kelly gave me one of the most fantastic blow jobs I have ever had.

She wasn't 100% quiet and I think some of the slurping noises might have given us away, but by then I didn't really care to much - It was getting darker with every minute, and her deep sucking

her fingers delicately over my helmet.

I tried to cover my bulge as best I could in case Gill in front should turn round to say something, but was caught off guard as Kelly decided she wanted to get my cock out and play.

I grabbed my jacket and

draped it over my lap as Kelly slowly increased the speed at which she was tossing me off. It felt great, but at the same time extremely worrying as I was only a few feet away from our friends.

Kelly announced that she was feeling tired and wanted to stretch out and rest her

As I moved my jacket, my cock was in line with her face, and she looked up at me with a big grin as she stuck out her tongue and licked the base of my cock.

I couldn't stop her - I didn't want to move in case Gill looked round to see what was happening. I wanted Kelly to suck my cock, but now was not the best time!

After a few moments of stillness, except for her tongue darting out and flicking the base of my cock, she moved her head slightly so that her mouth was on my cock.

It was amazing to see this gorgeous woman who I had only known for a short time gradually lowering her open mouth onto my prick.

stopped me thinking about anything else other than the feelings around my cock.

At one stage I remember actually pushing on the back of her head as she tried to take all of my cock down her throat.

Eventually I couldn't take any more and held her head very still as the first jet of cum shot into her mouth.

As I emptied my spunk into her mouth, Kelly eagerly swallowed every drop, and she kept my dick in her mouth until he had gone completely soft and slipped from her lips, at which point she looked up at me, smiled and went to sleep, as we drove the rest of the way home.

Jim, Windsor.

MARLEY AND MEAT!

Unfortunately NOT starring Warren Meaty and Faye Haveitaway, the latest release from Bluebird is big budget, big boobed, big fun. Leaving a trail of exhausted cocks and shagged out mid-Western totty, Bonny and Clyde (a stunning Natasha Marley and Paul Chaplin) shoot and shag their way across a stunningly-shot landscape, taking anything they want. It's everyone's fantasy to go on the run with a porn star and a gun, so the film was a nailed-on smash in this office!

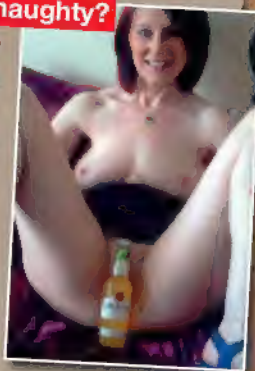

HOLEY NIGHT!

Well, it beats the scrappy bit of tinsel that has adorned our Xmas tree since 1994. Pornaments (made by the Dirty Flirty Novelty Company) are less decorations, more dick-orations, that will make your Xmas go with a bang. Some might say that this is a time of year for reflection on the past and hope for the future but for those who use the holidays for chugging sherry and shagging the missus in a pile of pine needles, this is up your street.

Dear Julia: Is there any chance you could get Lesley from Staffs to appear again in your Show Us Yours section. She's one sexy woman with lovely tits and a sexy arse to wank over. More women over 40 please!
Dave, Oxford.

40 and naughty?

Julia says: Women over 40 are smouldering cauldrons of desire and if you can get into their pants you won't regret it! I found that out with Gillian from Accounts at our staff do last night. She sure knew how to satisfy a girl, considering she's been married for 15 years!

Bird burglar

Dear Julia:

I liked your Xmas burglary set of pictures. It's a good job Lexi didn't try to break into my house.

I would have caught her, tied her up and made her suck my cock. Then I would have whammed my dick between her tits and come all over them!

Tom, Preston.

DEAR JULIA

Julia says: Is that Tony Martin writing under a pseudonym? You're a real have a go hero aren't you Tom! After you'd done all that we expect you would have shot her in the back with a shotgun!

Dear Julia: PLEASE PLEASE tell me the name of the dark haired girl in the Hallowe'en feature in vol 30 no 11. She is the most beautiful sexy gorgeous little thing I have ever seen dressed OR naked. Will she appear again? Keep up the fantastic work!

A Very Horny Dave, Somerset.

KAYCEE'S FANTASIES

REAL WIFE SEX

Courtney,
London

There's combing in buckets when a hairdresser cuts loose with a lucky client...

I have a great job as a hairdresser in an upmarket hair and beauty salon in London. It's an award-winning salon and very exclusive. We get quite a young crowd coming here and, as we are a unisex salon, it can be a good place to meet guys.

The staff are allowed to wear their own clothes to work just as long as what they choose is black. I love the personal freedom to choose my own work gear and usually opt for a simple, sexy short black dress. This makes me especially popular with our male clients and I often get asked out on dates as a result.

The most exciting man that I have met at work is Vincent. He began coming to the salon on a regular basis when he started working in the City. At first he seemed a little stand-offish but his tips were generous and he was always polite. And he was drop dead gorgeous.

Tall, dark and divinely handsome, I couldn't help being attracted to him from the first. When he started coming to the salon once a week it became certain that

The sex talk was getting me hot

I had an admirer. He had a wicked sense of humour and, when he started flirting with me, I couldn't resist and teased right back.

Then one afternoon he came to the salon after he'd been to a business lunch. He was a bit merry and, when I sat him down to trim his hair, he started to tell me about how he spent most of the time at lunch not listening to what was said at the meeting by any of his colleagues, because he was too busy fantasising about making love to me.

It was very flattering but all the sex talk was getting me hot and bothered and my pussy began throbbing inside my panties. I found myself squeezing my thighs together, and then in utter frustration I begged him to tone it down, because he was really turning me on.

Grinning at me in the mirror, he lifted his protective gown in front, showing me the massive bulge in the front of his trousers. Looking at the size of his package, my nipples began to harden and my pussy ached for action.

I finished his cut silently all the while feeling my panties getting wetter and wetter. Telling the others that I was tak-

ing a ten minute break, I told Vincent to follow me into the back where I had something to show him. The others looked at one another, amused, as I led the way through to the storeroom.

As soon as I had turned the key in the lock, Vincent had his hands on my breasts. I very nearly came as the electric sensations flicked from my nipples to my crotch, almost sending my pussy into spasms. Pushing me back against the racks of towels, he kissed me hard, jamming his tongue inside my mouth.

Releasing me, he took a step back, and my head reeled and my clit throbbed as he pulled out his big, hard cock. It was a whopper, thick and long with a big dark helmet, and was already ooz-

ing pre-cum in anticipation. I loved the fact that I clearly excited him so much. I reached for his cock instinctively, but to my surprise Vincent held me back. "I like a hands-free blow-job," he said quietly,

I like a hands-free blow job

his hand pressing down ever so gently on my shoulder, trying to guide me down.

I love a man who knows what he wants and isn't afraid to speak his mind, and I was eager to suck that juicy cock, so I went along with it more than happily,

descending beneath the pressure of his hand and kneeling obediently on the floor. Licking my lips, I swear I felt them grow fuller as I became more aroused. As I slid them around his knob, Vincent stroked my hair back from my face and asked me to look up at him.

"Eye contact is very important," he said, smiling at me as he watched my cheeks hollow as I sucked him deep inside my mouth. I tilted my head back so I could take him deeper, relaxing my jaw so that he could push his cock in until it hit against the back of my throat.

I was slobbering and gagging on his magnificent manhood as he shunted it

Last orders

After my last appearance in Show Us Yours (in vol 30 no 11) there was a lot of interest in my pub-crawl strip.

To get the chance of a trip to the pub and not to have to drive was unusual. I should have known something was

said that if I wanted to go to the next pub I had to leave my knickers behind as "taxi fare".

So excitedly but nervously I slipped them off, unnoticed. Alan discreetly put his hand up my dress and rubbed my wet pussy with a grin.

At the next pub Alan ordered me a double for

Sue,

lic place with my big tits on show for anyone lucky enough to clock them. I wanted to get my dress on quickly but Alan wanted to get his mouth over my erect nipples and give them a good slobbery suck.

In the next pub Alan's hands were all over my tits.

His fingers had found their way into my most secret crevices and his thumb was caressing my clit too. I was having quite a job keeping control!

Although we were at a secluded table we were really push-

going to happen – even more so when I was asked to put on a slutty dress, stockings and suspenders too.

It was okay at the first pub (although I felt self-conscious!) until my partner Alan

Dutch courage. When we left I found out the next "taxi fare" was my bra. So in the back of the pub I slipped my dress over my shoulders, unhooked my bra and handed it over.

So there I was in a pub-

ing our luck this time. It was a relief to leave!

Once I was in the car I discovered my "taxi fare" home was my dress. Again, Alan wouldn't take no for an answer so I struggled out of it.

Dressed in just stockings, suspenders and boots, Alan drove slowly out of the car park as close to the pub windows as he could.

I was going to have to go through town nude to get home if I didn't do something now. I protested and Alan relented – sort of.

He said I could have my clothes back but I had to put them back on outside the car.

So I got out and he promptly drove off. He stopped fifty metres on and I was desperate to get back in and ran

after him. I knew he had only done that so he could watch my big heavy boobs bouncing and swinging as I ran.

At last I was dressed again but not for long. I was soon naked again and Alan had his cock pumping hard and deep into my soaking wet pussy. A good day all round – drink and sex!

My wife and I recently got a massive buzz from our first dogging adventure.

It started out with me and the wife going out for a drink. We just had the one when the missus started to get frisky, so we left quickly and, as I drove through the country lanes.

I knew we wouldn't make it all the way home before I'd

Well, once the wife's tits were out and I was mounting her we discovered exactly what sort of bird watcher hung around here – a guy appeared out of the trees and lurked a few yards from the car. We could see him peering in as I fucked the wife!

REAL WIFE SEX

Courtney's story continued from page 19

brought me to climax as the movement of his thick tool rubbed against my clitoris. My whole body shook as I felt the first sparks of my orgasm shoot through my throbbing pussy, and I gripped him harder with my arms and legs as the first blissful waves of orgasm rolled through me.

Vincent waited until my orgasm had peaked before driving his rod forcefully inside me and jerking his load deep in my gripping cunt. Then, setting me down, Vincent gave me a last kiss and left, with my thong still in his pocket!

back and forth. It was difficult to balance without using my hands, and I really wanted to grab at that magnificent cock, but I had no trouble maintaining eye contact. As his dark eyes looked into mine, I was totally mesmerised by how utterly sexy this guy was.

Vincent slowed his thrusts and eased his cock out of my mouth, helping me to my feet, he slid his hands under my tight skirt and eased down my thong.

Holding it for me to step out of, he put it in his pocket and turned his attention to my throbbing slit. It was damp and slippery from my arousal and, when he slipped a finger inside me, I felt like I was going to come straight away. Then, as my pussy contracted on his finger, Vincent slowly pulled it out and immediately and just as gently and deliberately replaced it with his cock.

His swollen cock head parted my pussy lips and slid easily inside my warm, wet slot. I wrapped my arms around his strong shoulders and he palmed my arse cheeks, lifting me up so he could sink his prick all the way inside me.

**He slid easily up
my warm wet slot**

My pussy was contracting around his meat as I wrapped my legs around his waist. With my back pressed against the towel rack, he began to fuck me, vigorously pumping his cock in and out of my pussy while his hands gripped both of my bum cheeks tightly.

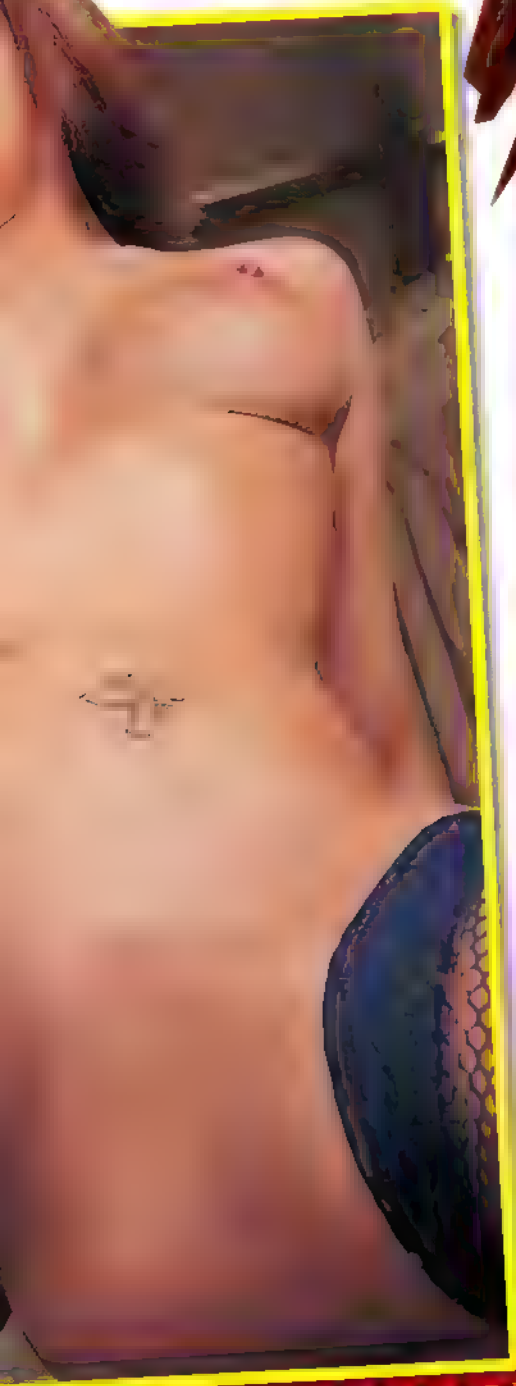

Banging me harder and faster, Vincent

I lay back and lazily prodded my swollen clit with my fingers, before dipping my digits into my spunky hole. I made tiny little shudders as the memories of his cock slamming up and down my chuff-channel finally faded and brought my fingers up to my nose to smell his pollen-scented semen.

There were a lot of red faces as I came out of the store cupboard, but mine wasn't among them. After all they couldn't possibly say anything./

The client (especially if he's got the moolah) is always right after all! And I had a feeling Vincent was going to be a repeat customer. He'd keep coming, and hopefully so would I! ☺

JAYAE

Looks like it's rag week round at Jaye's. "Rip my clothes off and treat me like the dirty little bitch I really am!" demands the tattered tartlet (20). Well, you're half way there already, love. Still, we know exactly what it's like having a savage cat at home destroying our clothes, sofa, toilet rolls, marriage etc, so we'll happily help you out of what's left of your clothes. And what a tasty treat beneath. "Guys love my boobs. I love blokes getting a good handful of them, bending me over and giving me a good hammering from behind while they weigh my big ones in their palms!"

Cock sure

Stuff my pride! I love cock and I'm not slow to admit it.

Last night I was sucking off my boyfriend Derek.

Tilting my head back to widen my throat and allow as much of his cock inside, I sucked hard, hollowing my cheeks and creating a vacuum inside my mouth. In a matter of minutes it felt like he was getting ready to shoot, and he held my head firmly in place as he rammed his knob against my tonsils.

I love this kind of rough play, and it made me feel hornier than ever as I gagged on his thick prick, enjoying the feeling as he face-fucked me good and proper.

Pushing a hand down inside my panties, I pinched and twisted the fold of skin around my clitoris, tweaking it hard as Derek continued to fuck my mouth.

I was now very close to cumming and I

inserted three of my fingers inside my pussy, making it squelch inside my panties as I began to build up a pace, withdrawing my fingers and ramming them back in hard.

With my knuckles brushing against my damp gusset I continued to excite

my cunt, expanding and clenching the fingers which were totally filling me.

As Derek tightened his grip on my hair and ploughed his cock in and

out of my mouth I began to orgasm.

With a series of uncontrollable spasms, my cunt tightened around my fingers, and as I let out a groan, Derek suddenly

Jake the peg

The photos with this letter were taken in our flat the day after my wife fulfilled her fantasy of a threesome.

Sue is a very sexy individual and we have been happily married for nearly 18 years. Jake is Sue's work colleague and she has always fancied him.

Sue met up with Jake after work and I joined later in the

evening. Sue was rather tipsy and whispered in my ear that she really wanted to get fucked by me and Jake.

This was something we had discussed before but I was still rather taken aback, especially when we moved on to a Thai restaurant and Sue started feeling up both of our cocks.

We took a cab back to Jake's house and made ourselves comfortable with another bottle of wine. Jake put some Luther Vandross on and danced with Sue, their hands all over each other.

Jake began to rub Sue's crotch. I could see his hand on sticking through his trousers. Gradually he inserted his fingers into her pussy and began to stimulate her.

Then he made her taste her own pussy juices. She obliged, greedily licking his creamy fingers.

Jake unzipped her dress, revealing her basque, suspenders and stockings. Sue sat him down in a chair and pulled down his pants, admiring his huge purple cock.

bobbed her head up and down, smearing his shaft with glossy lipstick.

As her tongue snaked along his prick her eyes were rolling with pleasure. She took each of his plums in turn in her mouth, making sure I could see the action.

My erection had swollen beyond belief. I released my cock and peeled off my wife's panties. I fingered her clit until her pussy was wet and ripe for a fucking.

Jake got on his back and Sue climbed on top of him and eased his

Sue looked at me and I nodded to say go ahead. She took the tip of his cock in her mouth then slid her lips down his entire length. Then she held his cock in one hand and

What a treat it was to see her getting her brains screwed

pulled my head back, jerking my face away from his cock head and withholding his prick from me.

Grasping his shaft at the base, he leaned backwards slightly, and, waving that monster knob of his in my face, instructed me to beg for his cream.

It was too bloody much! My pussy was gooey and tingly as it began to twitch involuntarily, then exploded in an orgasm and a gush of juices that left me trembling.

"Please," I begged obediently, looking up at him. "Please let me have your cream! Come on! Please, Derek, let me taste your spunk!"

Derek loved that. He always does. So with a huge grin he tugged harder on his cock and then shot his load high in the

air, splattering my face.

My hair, cheeks, eyebrows, eyelids and mouth were soaked in huge globs of his warm spunk, and I set about sucking as much of it into my mouth as possible.

The drops that I couldn't reach, I scooped up and ate! *Sylvie, Mansfield.*

Whoppa meal

Last week my husband James rang to say he was bringing his work-mate Roger, who had recently gone through a divorce, home for something to eat.

I had dressed in a white thong, stockings and a silver dress for a sexy evening in with hubby and it was too late now to get changed.

When they arrived Roger commented on how nice I looked. He talked about his

looked at James who was getting a kick out of watching me suck off his mate.

Soon they were both naked and I lay on the sofa with Roger's tongue flicking my clit ring and darting in and out of my sopping wet bald box while James straddled me for a nice face-fuck.

I got on all fours and told James to fuck me while I wanked Roger off. James pounded me while Roger gripped the back of my head until he pumped a hot salty

out by another man.

When they took a break Sue got doggy-style and sucked Jake's cock while I pushed my aching cock into her glistening pussy.

I gripped her bum cheeks and rammed my tool into her, thrusting and hammering her at a furious pace, my balls slapping against her.

After a few minutes I unloaded up her pussy. Jake jettisoned his cum all

over my wife's face. Then she sat on the floor and licked both our cocks clean.

Sue said the experience had really blown her away. Three weeks later, Jake arranged for his girlfriend Olivia to join us. Jake plundered Sue's pussy while I worked on Olivia, taking her anal virginity.

We are looking for suitable couples to join us for fun and frolics.

ex-wife and how he couldn't understand why she left him. James said he couldn't understand either, not with a cock the size Roger had.

He told Roger to stand up and show me what he'd got. Boy, was I impressed.

I got his trousers down and licked and kissed that big bell-end. I peeled off the shoulder straps of my dress so he got a good eyeful and

shower into my face.

I felt it running off my chin and on to my bouncing tits. As I licked the last drops off his cock I felt my hubby ram his weapon right up to the hilt and hold it there while he filled with squirts of jizz.

Roger was still rock hard so I got him to change places with James. I thought he was going to split my slit he was so big.

Grabbing my arse cheeks he went hard and fast, his ball bag slapping away on my clit ring. My pussy gripped his cock as an orgasm snaked through my body.

I didn't think I could take any more but James slid his cock up my willing arsehole and unloaded in me.

Roger pushed my ankles behind my head and fucked me deep and hard. Within minutes I was cumming again and he was shooting his spunk all over my belly and tits.

Sheila, West Yorks.
